ROUND 1 QUICK QUOTE
November 12, 2026

STEVE ALLAN (-6)

Q. Steve, 6 under, great round today. What was working so well for you?

STEVE ALLAN: Pretty much everything was good. I got off to a good start with some birdies on the front nine. I was definitely putting well. For the most part I was hitting the ball pretty well. So it was a bit of everything. Nothing was amazing but it was all pretty good and solid. Probably had a couple of breaks in different spots where I, you know, I hit a shot that wasn't that good but finished up OK, and thankfully took advantage of it for once.

Q. What's it like having a home game?

STEVE ALLAN: Yeah, it's good. Obviously it's a double positive this week with the fact that we're playing the Tour Championship, the Schwab Cup, last event. It's great to be in here and obviously being at home as well is fantastic.

Q. Get to sleep in your own bed.

STEVE ALLAN: Yeah. Absolutely. The end of a long season so it's nice to get home, and I get to do it earlier than most of the guys here.

Q. How's the course playing?

STEVE ALLAN: The course is good. I think there's a lot of birdies out there, especially if you're driving the ball well. The greens are rolling beautifully so I expect to see a few other low scores as the day goes on.

Q. Recap your season for me. How did your season go for you?

STEVE ALLAN: I started off fairly well with some really good finishes, and then for a long time in the middle of the season I was playing OK but not great, and then towards the end of I really started to struggle. Finally had a really good week last tournament just to get in here, which it was pretty nerve racking. It was nice that things came together. I started to hit the ball better and putt better at the same time, which is a pretty good combination. Long may it continue.
