ROUND 2 QUICK QUOTE
November 13, 2026

ZACH JOHNSON (-7)

Q. Zach, not the finish that you wanted, but you really had it going today. Tell us about your round, the hot start.

ZACH JOHNSON: It felt a little loose even considering the numbers. I didn't feel -- I was just scoring really, really well. I mean, I hit good shots there early on, it just didn't feel tight. That's probably the best way to put it, I did not feel tight. My game did not feel tidy.

My putter was great and I hit some good shots, don't get me wrong. It caught up with me the latter part of the day unfortunately. But I'm not going to reinvent it, I've just got to get back to basics and keep it simple. Thought I was doing that, but just struggled. Really struggled off the tee.

Q. All in all, a big day. You got back in this thing.

ZACH JOHNSON: Oh, there's still a lot of -- those guys got three hours of golf behind me. I had an opportunity today, even going into 17. To finish that way, that's going to hurt really bad going into the weekend.

Q. Seeing the course differently today than yesterday since you're a first-timer here? Did the course play differently at all?

ZACH JOHNSON: That's a good question. I don't think so. The conditions were obviously different once the quasi squall came in, wind totally switched 90-degree, probably 120-degree turn so that was a little troublesome just to kind of manage that, try to figure that out. I mean, nothing that we've never done before. We've done it a thousand times.

Yeah, it was slightly different today, but not dramatic. More wind.
