

FINAL ROUND INTERVIEW TRANSCRIPT: BILLY HORSCHEL
Sunday, January 26, 2014

BILLY HORSCHEL: I think we had 92, 97, so it was a 57, it was a little sand wedge, a little three-quarter. Looked like it landed right next to the hole, took one bounce past it and spun back in and it was nice, I mean, obviously to finish with an eagle. But like I said, I wished (indiscernible) to K.J. KJ came over and said congrats and I said there's room in there for another ball, and his ball just finished short. He played so great today. To shoot 6-under on this course today was pretty spectacular and hopefully he's got a chance to win. It would be nice.
