

FINAL ROUND INTERVIEW TRANSCRIPT: GARY WOODLAND
Sunday, January 26, 2014

GARY WOODLAND: This will be hard to swallow. I felt like I kind of gave one away today. Drove it well early and just didn't get anything out of it. I scrambled well late and unfortunately made a bad swing on 17. But all in all I'm playing really well. I can take a lot from this week. The golf course played really hard. Scott Stallings played a phenomenal round today. Congrats to him, that's awesome. I've got to keep riding this momentum and go play well next week.

Q. Was the swing with you when you hit the first tee, do you think?

GARY WOODLAND: It was a little off. I drove it pretty well early, gave myself a lot of chances and I just didn't get anything out of it and it kind of fell apart there on the back nine. All in all, like I said, I'm playing well and I've got a golf course that suits me really well, and the good thing is I can forget about this and play well next week.
