

**ROUND 2 INTERVIEW TRANSCRIPT: KENNY PERRY**  
**Friday, June 27, 2014**

**KENNY PERRY:** I made a couple of nice putts but I left a lot out there. I missed the gimmes coming in. But all in all my ball control, like I said yesterday, I hit it closer to the hole today and had opportunities to make putts.

**Q. Do you figure the way the course is, there's a 63 or a 62 out there?**

**KENNY PERRY:** Well, I'm shooting the same scores as I did last year so I figured that's what I was going to shoot today.

**Q. Do you think 19-under is going to be (inaudible)?**

**KENNY PERRY:** Depends on what Bernhard does, but his driver's broke. I don't know if they're going to be able to fix that driver. It broke on the last hole, so it may give us a shot. He's playing flawless golf. The only reason he made bogey on that 14th hole, he had a mud ball that shot it way left of the green. He's hitting it perfect, so he's going to be a hard man to catch. I'm going to have to keep shooting 62s to catch him.
