

ROUND 2 INTERVIEW TRANSCRIPT: OLIN BROWNE
Saturday, August 16, 2014

Q. A bit of a crazy day out there with the 59 out there. Can you just talk about maybe what you knew of it out on the golf course there?

OLIN BROWNE: I didn't know anything about it until about 17. Obviously it's a terrific score and we're going to have to needle him a little bit for bogeying the last hole for 59. That's about all I have to say about that.

Q. Yesterday in the clubhouse you were the leader. What were you thinking you were going to need today to remain atop the leaderboard?

OLIN BROWNE: Well, I figured 6- or 7-under and it turns out, what's the lead, 13? 14. Who's at 14?

Q. Sutherland.

OLIN BROWNE: So I was right, 13 or 14. Weather isn't supposed to be so good tomorrow. I don't know if the forecast has improved or what, but we'll just have to wait and see tomorrow. 14-under's leading, I'm four back. That's not as close as I would like to be, but you know what, we have to play another round so we'll see where it goes.

Q. If it is a little (inaudible) out there, how does that affect how you go about trying to get birdies?

OLIN BROWNE: Well, I think we have to wait and see what the weather's like. I mean, depends on the wind. If it's just a light rain, that's not a big deal. If the wind's blowing and swirling, that presents a different set of issues. We'll just have to wait and see what the day brings. I've heard that the weather's supposed to come in later tonight and into the morning and then clear out in the afternoon, so maybe it will be softer conditions and greens will be more receptive. That will affect scoring as well. Those weathermen, they've got the best job on the whole planet and they're wrong all the time and we'll just have to wait and see what that brings.

Q. Talk about the back nine. Do you feel kind of like you were stuck in neutral a little bit?

OLIN BROWNE: Yeah, you know what, I couldn't get (inaudible) on the greens today. I hit a bunch of good shots that I didn't capitalize on, but then I also made a couple of good up-and-downs on the last couple holes.
