

ROUND 2 INTERVIEW: DEREK FATHAUER
Friday, November 13, 2015

Q. Off to a great start. How would you describe your 66 today?

DEREK FATHAUER: Pretty steady. There was a couple up and downs. I drove it in the trees twice and had to drop, but hung in there and I was just feeding off Harold. Harold shot 9 under, I don't know if it was nine or 10 birdies, but just trying could keep up with him. Sounds silly. He was behind me all day but I was just trying to keep pace with him and had a pretty nice day.

Q. What type of impact -- obviously you guys know each other from Web.com and then it's a guy you played with before and he gets off to a hot start. Does that affect you at all out there?

DEREK FATHAUER: A little bit, and he's a lot of fun to play with. You guys see it on the camera, he keeps the mood light and we just had a lot of fun joking around and we just happen to be playing golf.

Q. What's been working for you so far? You're just one back of G-Mac.

DEREK FATHAUER: I've been putting it pretty good and driving it a lot better than I have been the last year or so. I think that's the key to playing this golf course is hitting it in the fairway. Just hopefully keep hitting the driver well.

Q. What's the mindset going into the weekend now that you've put yourself in this spot?

DEREK FATHAUER: Just to have fun. I mean, I've been trying to hard the last year or so and I just want to go out and have fun this week and have fun next week and go relax, have a month and a half off before Sony.
