

**ROUND 2 INTERVIEW: GEORGE McNEILL**  
**March 25, 2016**

**Q. George, 1-under 71, tough conditions out there today. First talk about that start, three birdies on the first three holes there.**

**GEORGE McNEILL:** I made three birdies the first three holes. I don't know what else to say. Hit some good shots and made some good putts. Throughout the rest of the day I hit decent shots and just couldn't capitalize on anything. Overall I guess it was a decent day, but I would have liked to have had a few more birdies. One three-putt bogey.

**Q. So I guess obviously not the finish you wanted there but you're still in great position heading into the weekend, so you have to be feeling pretty good about yourself overall?**

**GEORGE McNEILL:** I feel fine. I'm not really too excited about much. Again, it's hard. The wind's blowing, it's tricky, the greens aren't very fast and this afternoon they didn't putt as good as they did yesterday morning obviously with a lot of traffic on them. I guess that's what I get to look forward to tomorrow.

**Q. So any other differences in the course conditions from yesterday to today?**

**GEORGE McNEILL:** Just the greens. The wind blew about the same. At times it seemed like it was blowing harder today and we got some rain in the first three holes, too, but other than that it was pretty identical.
