

**ROUND 3 INTERVIEW: AARON BADDELEY**  
**March 26, 2016**

**Q. 3-under 69 today, obviously in a great position heading into the final round tomorrow. Just a few comments about today.**

**AARON BADDELEY:** It was a tough day, it was windy today. Kind of like one of those squalls of rain came through here, the wind just died just fractionally after that. But overall I played really good, just a couple loose tee shots. I messed up 13, but besides that I was really pleased with today and just looking forward to tomorrow.

**Q. How have you felt coming into the week? What are you most comfortable with as far as your game goes right now?**

**AARON BADDELEY:** I feel comfortable, period, just my whole game. I didn't play good on Thursday at Bay Hill but I played really good Friday. Did a little work with Scott Hamilton, my coach, on the Friday and just flushed it on the Friday. I missed the cut by like one or two there. I really wanted to make the cut because the game is feeling so good. So I was very comfortable and relaxed coming in here. I knew my game was right there, and with it being windy, I knew that was going to be good because I just feel comfortable with everything.
