

**FINAL ROUND INTERVIEW: RODOLFO CAZAUBON**  
**March 27, 2016**

**Q. So Rodolfo, this is only your third PGA TOUR event, just talk about how special the week has been thus far.**

**RODOLFO CAZAUBON:** First of all, I'm really happy. I don't know, I guess I feel really comfortable since the beginning. I didn't have anything to lose because I play on the Web. So I just came here to have some fun here with my brother, who's a caddie, and my best friend Luis came here to support me. Yeah, I'm really happy.

**Q. Take me through that finish there on 18 real quick with the birdie there.**

**RODOLFO CAZAUBON:** Yeah, I hit a really good tee shot and then I hit a bad second shot to the bunker, but I had all the green there to work. Got it thin a little bit, but then I made a great putt and I guess that helped a lot.

**Q. When you got to the tee, did you know kind of what you had to do? Did you know birdie was probably going to give you a decent chance?**

**RODOLFO CAZAUBON:** Yeah, I knew if I made a birdie I was going to be like 2 back and the other guys have like five more holes to go. But I focused on my game and, well, I'll have to wait and see what happens.

**Q. Winning three times on the Latinoamerica last year, do you think that experience has helped translate to make you prepared for an opportunity like this?**

**RODOLFO CAZAUBON:** Yeah, yeah, for sure, yeah. I mean, I won in a playoff so it's like playing under pressure the last year. So yeah, for sure it helped. But like I said, I came here like to have fun with my brother and my friend and I'm really happy.
