

FINAL ROUND INTERVIEW: TONY FINAU
March 27, 2016

Q. Tony, just an unbelievable finish there. Just talk about the impact this day's going to have on your career.

TONY FINAU: Yeah, hopefully a big one. I think I'm still a little overwhelmed, it hasn't all really sunk in yet. But I played my heart out there today and I'm happy I came out with the win.

Q. How were your nerves out there, especially when you made the turn, you made birdies at 9 and 10 and then the bogey at 12. How were you handling that mentally at that point?

TONY FINAU: Yeah, I learned a lot last year being in contention pretty close to the guys that were leading and I learned you've got to take the good with the bad. I knew I was going to make some birdies but I knew I was probably going to make some bogeys, too. Tried to stay in the moment as much as I could. I hit a lot of quality shots when I needed to down the stretch. Pars were a good score coming in these last few holes. It's tough to judge the distance when it's this windy. So I'm just proud of the way I stuck in there and I'm happy I made the last hole when I needed to.
