

**FINAL ROUND INTERVIEW: STEVE MARINO**  
**March 27, 2016**

**Q. Tough conditions again today. Did you know where you stood all day?**

**STEVE MARINO:** Not really, I wasn't really looking at the board. I felt like if I could shoot a round under par I would have a chance. Then I had to ask my brother on 18 where we stood after I made that birdie, so I knew I was pretty close. But like I said yesterday, I was just trying to hit the best shots that I could and add them all up at the end.

**Q. Walk us through that little putt at the end.**

**STEVE MARINO:** Yeah, I kind of had a funky little lie in the low area. I thought about chipping it but there was some grass behind it, I thought better to probably putt it. I putted it about five feet by, and it was just outside left and hit a solid putt and it went in.
