March 27, 2016

Q. So we know you've been dealing with an injury the past year. Just talk about how good it feels to have a great finish here to get your confidence back up?

ANDRES ROMERO: I'm very pleased with my game. I've been playing well for a long, long time, but the injury of course stop me for a couple months. So I'm working really hard to get my game back and it's looking good.
