

ROUND 2:
April 23, 2016

WOODY AUSTIN

Q. Maybe just talk about your day, 59. What went well?

WOODY AUSTIN: Everything. You know, we played the absolute perfect team game today. We ham and egged it great. We were both in just about every hole. We hit it close to the hole a lot. It was a true perfect partnership day today. We were perfect today.

Q. How do you remember how many birdies you had?

WOODY AUSTIN: We made 12 birdies. I mean, we didn't make any eagles or whatever. We just played -- and I would say it was probably half and half. Like I said, it was a perfect partnership. We only had two long putts. I made a 30-footer and he made, jeez, I don't know how long it was on 17 but it was probably 50. But other than that, we knocked the flags over together and we really played well together. It was a pretty simple day.

Q. It was a perfect day to play probably, too, right?

WOODY AUSTIN: Yeah, it was perfect. I mean the weather was perfect. The golf course is in good shape. We played a great round of golf.

Q. That's got to feel good the way you've played, two wins in the last three starts, and now you guys are in the lead right now going into Sunday, 17 under.

WOODY AUSTIN: Okay. Well, that's cool. That's nice to know we snuck in there. It's nice to get to that last group and see how it goes. That alternate shot nine holes is going to be the key in the morning. You need to somehow figure out a way to play well in that alternate shot. That will be the key tomorrow.
