

Q. You got up there but you just -- Scotty just played better?

MIGUEL ANGEL JIMENEZ: I didn't play with Scotty, I was a little behind him and I saw (indiscernible) for the hole, no? It's nice, no? And he played -- he hit the ball very well and he played well and there's nothing you can do. I played very well, I made 14-under par, and I finished second. He deserve it, he won. He played the best this week.

Q. You knew you probably had to make birdie on 17?

MIGUEL ANGEL JIMENEZ: I know, I know he make a birdie on the 17 because he hold up there and then I played my shot, put my ball in the bunker and I make three from the bunker and he make another birdie on the 18th. Well, nothing you can do. It's just congratulate him because he played great. Simple.

Q. The lead traded back and forth. Are you kind of aware of that as it goes as far as the excitement that was building? You'd be tied, he's jump back?

MIGUEL ANGEL JIMENEZ: Yeah, yeah, I saw him hit that ball there and I saw him up there and I also see Waldorf, but I hear where McCarron has been playing very well on the back nine always. We have more or less in the same place, you know? That's the game of golf. Make a bogey on the hole No. 12, that was one of the shots (indiscernible) missed the fairway, almost unplayable with that in front of me but (indiscernible.) But that's the game, you know? And playing very well, there's nothing to hide here. 14-under par is good. He made 15-under par, he played nice.

Q. Did you enjoy your time this week in Iowa?

MIGUEL ANGEL JIMENEZ: Yeah, very, very, much, especially nice weather, the condition of golf course, nice people. You know and then if you play well, of course you enjoy it.
