

**ROUND 2 INTERVIEW: MIKE GOODES**  
**June 25, 2016**

---

**Q. You shot 11-under today, or not today but for the two days?**

**MIKE GOODES:** Right.

**Q. What went right today for you?**

**MIKE GOODES:** Well, I had a lot of good birdie putts and I kind of got on a good run coming off on 10, 11, 12, made three straight birdies and it was just, I just hit the ball really nice and solid today. Could have made a couple other birdies, but it was a good solid round.

**Q. What do you hope heading in tomorrow? You're close to the lead, a couple shots off. Do you look a lot at the leaderboard tomorrow or just play your game?**

**MIKE GOODES:** Just try to play, you know. If I can play good golf, that's all I can do. Some people -- somebody plays better, that's just better. But it's good to be in the position where at least you can see the leaders going into Sunday anyway.
