

**Q. To be able to birdie the final hole in order to stay in contention and in a good position going into day two, how do you assess your day?**

**DANIEL SUMMERHAYS:** Yeah, I think if I were to have started on that side and finished the other way, I would feel really, really good. Golf's funny like that. I played great today. I had a couple little hiccups on my back side, but overall played really well. Definitely like to finish with a birdie, that will make dinner taste really nice.

**Q. And what is for dinner?**

**DANIEL SUMMERHAYS:** I think we're grilling some steak and mixed vegetables tonight. Going to try and go low carb, keep it good.

**Q. Good group of guys coming over then?**

**DANIEL SUMMERHAYS:** What's that?

**Q. For dinner?**

**DANIEL SUMMERHAYS:** Oh, just me and my family.

**Q. How did you feel about the course overall?**

**DANIEL SUMMERHAYS:** On Tuesday I was really excited actually because it felt like a major championship. The rough is up, the fairways are fairly narrow, and the greens, they're getting really firm out there. So I play well in tough conditions and I was a little inside pretty excited about it.

So definitely it was difficult. I was able to hit some really nice shots. For the most part I was in the fairway and was able to roll in some putts and that turned into a nice round today.

**Q. You've been in some pretty tight close chances right there coming down to Sunday. What's your mentality heading into day two?**

**DANIEL SUMMERHAYS:** Yeah, Thursday, Friday are kind of the lowest scoring rounds typically in a golf tournament, so I'll go out and try and capitalize on the holes where I can. They have a great mixture of short par 4s and long par 4s out here so you kind of have to be patient on the ones where pins are a little more inaccessible. I was fortunate today, like on 13 on a short par 4 I actually holed out a wedge shot, so that was really nice to get a break like that.

**Q. And also in the pro-am, you're a Capitals fans, you were able to play with Williams and John Carlson. How are they at golf?**

**DANIEL SUMMERHAYS:** It wasn't their finest day, but you can tell they have a lot of athleticism and a lot of talent in there. They weren't doing so hot, so they decided to come back to the back tees with me and test their luck from even further back, about 40, 50 yards. They still didn't make too many pars from back there, but great guys and I really admire what they do on the ice.

**Q. Which one of those gets the bragging rights?**

**DANIEL SUMMERHAYS:** Oh, I don't know. John had the power, but I think Justin had a little more touch around the greens.
