

**ROUND 2 INTERVIEW: CHAD CAMPBELL**  
**November 18, 2016**

---

**Q. 18 greens today, what a big par save on the last, you made a number of birdies. That must make you feel pretty good?**

**CHAD CAMPBELL:** Yeah, I played pretty well all day. It was nice to see that last one go in to save that par with a bad tee shot in the right bunker. Overall happy with the way I played the first two days.

**Q. And the game appears to be trending in the right direction here through the fall. You had a few good rounds in Mexico, has that kind of kicked you on?**

**CHAD CAMPBELL:** Yeah, I played pretty well in Mexico other than the first day. The first day I played terrible but then, like you say, I had three good rounds and kind of carried it over to this week.

**Q. Now speak about coming from Plantation to Seaside, you had a change in course style.**

**CHAD CAMPBELL:** Yeah.

**Q. But certainly managing the bounce out on the greens, is that difficult?**

**CHAD CAMPBELL:** A little bit. They're definitely a little bit firmer over here. With the overseed over there, they're spinning back. It was nice to see some balls releasing over here, it makes it a little bit easier to get at some of these back holes.

**Q. You're in through 36 at minus 11. Thoughts to what it might take on the weekend?**

**CHAD CAMPBELL:** I think the weather's goes to change a little bit, I think we've got a little wind and cooler temperatures coming in. I think it's going to be a lot of the same, but definitely this course gets a little tricky when the wind starts blowing, so we'll have to see what it has for us tomorrow.

**Q. A little wind would be a good deal for you, right?**

**CHAD CAMPBELL:** Yeah, yeah, it's kind of weird to play this course without much wind. We've always seen it with a lot of wind, so we'll see what happens.
