

FINAL ROUND INTERVIEW: JAMIE LOVEMARK
November 20, 2016

Q. How about today, 65, very well could be the low round of the day on a cold Sunday. How happy are you with that?

JAMIE LOVEMARK: I'm happy. Happy we're done for the season, happy to end on a good note. It was a really cool start, really windy. Gosh, it was in the mid 40s. It's getting nicer now so the scores might improve.

Q. You birdied 15, the par 5, and then we thought you had a chance to maybe post a number, were you thinking that if you get to 16 maybe?

JAMIE LOVEMARK: Yeah, I thought so. I had an awkward second shot on 16 and kind of bailed out left about 15 feet. Hit a good putt. Hit a good putt on 16 and 17 and then birdied 18. I think yeah, it will be too short but it's okay.

Q. Has the wind died down a bit out there? It seems like it is.

JAMIE LOVEMARK: Oh, a ton. It was blowing upwards of 15 this morning. It was colder, too. So it's improving, which is nice for the guys out in front.

Q. Look back at the year. You had a chance to win in New Orleans, a little luck you might have one there, but all in all a solid year. Are you pleased?

JAMIE LOVEMARK: Yeah, definitely. I think I was in the final group three times this year, so that's good for me. Improving on that, hopefully I can get it done next year. I'm going to enjoy my six, seven weeks off and put my feet up and chill.

Q. You're a Nike guy. What are you doing equipment-wise? Will you take that time to find new sticks or what are you going to do?

JAMIE LOVEMARK: Hard to say, honestly. Actually this week I went back to a Nike driver, hit it very well so we're going to have to reassess probably starting tomorrow and then go from there. I still have a lot of great Nike stuff and the stuff is awesome for me, worked for me, worked for a lot of guys, so no rush.

Q. Enjoy the offseason. I guess the important question, will you keep the mustache?

JAMIE LOVEMARK: No, just until the end of this month.
