

PLAYOFF INTERVIEW: BLAYNE BARBER
November 21, 2016

Q. A disappointing finish but a great week. Take me through the playoff hole today.

BLAYNE BARBER: Yeah, I just was trying to be really aggressive, I just wanted to hit it close. Just read the wind a little bit more. The putt through the fringe I thought I hit perfect, they're just a little stickier this morning than they have been because that play had been working pretty well all week. Hit a good par putt. Take a lot of positives from the week, it was great to have a chance and it's just going to lead to some other good things.

Q. What did you prove to yourself this week?

BLAYNE BARBER: Just showed myself that I can win out here. It was the best 72 holes mentally I've had ever I think. I just was very committed and very patient and played great golf, so I'm very happy with this week.

Q. How tough was it weather-wise to get up to play a par 3 out of the gates?

BLAYNE BARBER: It was tough. I slept like 30 minutes last night, just felt a little under the weather and just thinking about today, and it is freezing out here. I was shivering from the cold more than nerves, but it was really cold.

Q. (No microphone.)

BLAYNE BARBER: Yeah, you know, it's really cold out here, it was tough. It was a great putt by Mac. Obviously it's tough because the three of us made bogey. Still a great week, glad to have a chance. Hopefully, more good things.
