

PLAYOFF INTERVIEW: HENRIK NORLANDER
November 21, 2016

Q. Not the best shot but you must be very happy with your week's work.

HENRIK NORLANDER: Yeah, absolutely. Obviously disappointing, but I didn't hit a good shot. I hit a good putt, just hit it a little firm, but yeah, I'm still happy with the week for sure.

Q. So what's the plans for Henrik Norlander over the next few weeks?

HENRIK NORLANDER: I'm going to take it pretty easy I think. It's been a pretty long year. So some time off and then get going again.

Q. I know tough to come out for one hole this morning but talk about what happened.

HENRIK NORLANDER: I just didn't hit a very good shot. I hit a good bunker shot and a good putt, I probably just hit it a little firm and it didn't go in, but still a great week. Obviously it's disappointing right now, but I'll get over it.

Q. What will you take away from this whole week?

HENRIK NORLANDER: Just the way I handled myself yesterday. It was the first time I was close to the lead or in the lead and I just felt really calm so that's something to build on for sure.
