

**ROUND 2 INTERVIEW: BRIAN HARMAN**  
**January 27, 2017**

---

**Q. Brian, a different wind out there today, I guess it made the golf course play difficult?**

**BRIAN HARMAN:** Well, it ended up being the same wind as yesterday. It started out as a different wind, but it did a complete 180 about halfway through my round. I'm not sure which one was more difficult, but the one finish is pretty tough. I imagine it's blowing pretty hard on the South right now.

**Q. An up-and-down start for you, a birdie to begin with, a double bogey in there, and then a strong finish for you.**

**BRIAN HARMAN:** Yeah, I was proud of the way I hung in there after that double. Just made a loose swing, got a bad break, but when the wind's blowing, that kind of stuff seems to happen more than it normally does. So you've got to be able to calm yourself down and just back to work.

**Q. Ready for a couple rounds on the South Course?**

**BRIAN HARMAN:** Yeah, I am, I am. It's a great golf course. It's going to be all you want this weekend.

**Q. You have to be playing with a lot of confidence these days, don't you?**

**BRIAN HARMAN:** You know, I'm just trying to do the best that I can, not worry about what anybody else is doing and not have any expectations, just try to do the best I can.
