

**Q. Roberto, what's your take on today's round?**

**ROBERTO DIAZ:** It was a rough day, so it's just a matter of forgetting about it and trying to have a good attitude tomorrow.

**Q. It was tough right from the beginning?**

**ROBERTO DIAZ:** Yeah, all day. It was a rough round. Things didn't work out. The putts didn't drop. There were some weird bounces, chips bounced hard and then were bouncing soft on the next hole. Greens were playing quite inconsistent, so it was quite tough for me.

**Q. Before you were talking about what a great pairing you had with Charl Schwartzel and J.B. Holmes. What did you learn from them?**

**ROBERTO DIAZ:** They're very consistent, very patient. They play really well around the greens and they know where to miss.

**Q. Do you feel too much pressure being the only Mexican in this field?**

**ROBERTO DIAZ:** No, contrary. I'm proud and it's great to defend our flag. You've just got to play well.

**Q. How did you feel the course and weather today?**

**ROBERTO DIAZ:** Well, it was good, pretty much like yesterday. There were some swirling winds on the course, but aside from that it was pretty much the same.

**Q. What do you think was the reason of such an inconsistent performance today?**

**ROBERTO DIAZ:** Well, as I said before, there were two or three things that happened when you play golf. I don't know if you play golf, but sometimes the putts don't drop and some days they fall.

**Q. What adjustments do you have to make for tomorrow?**

**ROBERTO DIAZ:** Nothing. I will keep doing the same.
