

FINAL ROUND INTERVIEW: PAT PEREZ (-9)
May 7, 2017

Q. Pat, not a lot to say with that birdie that Brian made, but let's get your comments anyway.

PAT PEREZ: Oh, I mean, you know, the odds are these guys are going to birdie these par 5s. They're way down. Hell of an up-and-down from back there. He deserves it, he played great. I made double on 14, that killed me, but to have a look at the end, I was really excited about it.

Q. But still a good week overall?

PAT PEREZ: Yeah, you know, I didn't really -- I wasn't really expecting too much this week. I didn't do a whole lot, I was just trying to hit some shots and get ready for next week. This was just kind of a bonus being there. But I'm happy for Brian, he made a hell of a putt and I'm looking forward to next week.
