

ROUND 1 INTERVIEW: SCOTT McCARRON (-7)
May 18, 2017

Q. First off, what a way to finish and get yourself atop the leaderboard.

SCOTT McCARRON: Yeah. I called bank shot out there from 245 and just one-hopped the back of the grandstands in there about three and a half feet and was able to curl that one in.

Q. If you had those on all 18 holes, it would be nice?

SCOTT McCARRON: I would do the same thing all 18 holes. Yeah, it was a good shot, but it turned out real nice.

Q. It adds to momentum. I know you had a good round coming in, walking up 18, but it just fuels the fire a little bit more, doesn't it?

SCOTT McCARRON: Certainly. It's a hole you've got to take advantage of, you've got to make birdie. If you can get it close and make eagle, it's a good thing, and it always feels good to finish with an eagle.

Q. So overall about the round, how are you feeling?

SCOTT McCARRON: I hit the ball real well. Had a lot of opportunities early in the day, didn't make very many putts, but it was just nice to close it off with an eagle.
