

**ROUND 2 INTERVIEW: JEFF SLUMAN (-8)**  
**May 19, 2017**

---

**Q. Not as good of a day today out there, but obviously three off the lead, how do you feel about going into the weekend?**

**JEFF SLUMAN:** You know, I'm a little disappointed bogeying the last hole, it was my only bogey of the day. The only difference between yesterday and today was I made a few putts yesterday. I think I hit pretty much every green out there. 15, 16 greens, something like that. The couple of greens I missed I was able to putt from the fringe. So it wasn't ball striking, I just didn't make as many putts. It's the way golf goes.

**Q. Do you feel good going into the weekend three shots off?**

**JEFF SLUMAN:** Yeah. I mean, it's not a bad position to be in. It might be a few more by the end of the day, somebody might race out to a little lower score, but I'm in pretty good shape and hitting a lot of good shots. So if this hopefully is your bad day, that's not bad, it won't be a bad week.
