

FINAL ROUND INTERVIEW: FRED FUNK (-14)
May 21, 2017

Q. Boy, when Bernhard gets going --

FRED FUNK: Well, it was a close battle, but I hit it out of bounds so it was all over for me at that point. He makes birdie, I make 7. I'm one back, now I'm way back so it's all over. I never hit it out of bounds even on the tightest holes. That hole, I don't know what happened, it was just a weird deal.

Q. Like you said, you're so consistent so that probably got under your skin a little bit?

FRED FUNK: Well, it doesn't make sense. I don't know how I could hit a drive that bad. It baffles me. I was totally relaxed and everything. Just one of those things.

Q. Do you have time when you can cool off and get something to eat and think yeah, I had a pretty good week?

FRED FUNK: Yeah, I had a great week, but I'm very disappointed with that one hole and didn't make any putts coming in. You know, maybe I couldn't have caught Bernhard but I should have gotten second. But oh, well, that's why you've got to play 72 holes. I played 71.
