

**Round 2 Interview: CHARLEY HOFFMAN (-3)  
August 4, 2017**

---

**Q. How was your day? It was a long one, I know that.**

**CHARLEY HOFFMAN:** Yeah, got here at 5:15, and leaving around 5:15. So long day, but all in all, happy to get it in, happy with 1 under. Anything under under par around this golf course, obviously our conditions were tough our first 16, 17 holes. Obviously it's pretty nice right now, I assume guys are going to go out and make some birdies this evening.

**Q. Making a bunch of putts this week?**

**CHARLEY HOFFMAN:** Yeah, made some putts, got some balls up and down some fairways, which was nice.

**Q. Your play over the last few weeks has really been good. How do you explain that?**

**CHARLEY HOFFMAN:** I mean, it's been good all year long, put myself in contention a lot of tournaments and haven't been able to capitalize this year, which is obviously the goal before the end of the year, and I've got some big tournaments before the FedExCup coming up and hopefully I can knock one off.
