

**ROUND 1 INTERVIEW: COLIN MONTGOMERIE (-6)**  
**August 18, 2017**

---

**COLIN MONTGOMERIE:** Well, today was good. Always love playing with Bernhard and Miguel, two of my Ryder Cup colleagues from the past from Europe. I said if I was to beat one of them, I was doing well. I did, so that was super, all culminating in a good 2 at the 10th really. I holed my second shot at the 10th from 80 yards, which always helps the scoreboard, it gives you some encouragement. Yeah, just look forward to the next two days now. I've got myself in a position to do quite well, so we look forward to it.

**Q. You finished one shot off the lead. What does that do for your confidence?**

**COLIN MONTGOMERIE:** Oh, sure, you know, yeah. I had an injury early season as I was saying before we started and it's coming back again. I've always liked this golf course. I've missed it the last couple years due to scheduling issues and so I'm glad I'm back again. Off we go, back to the hotel, back for the concert. See you later on. Thank you.
