

FINAL ROUND INTERVIEW: SCOTT McCARRON (-20)
August 20, 2017

SCOTT McCARRON: To come out and win my first major a month or so ago and just kind of played mediocre after that. But to go low like I did the last couple days, I've never played that kind of golf for two days. My hat's off to Kevin, he played such good golf and it just got to be match play. It was like we were back in high school playing against each other, it was so much fun. To birdie the last two holes and to birdie that last hole from where I drove it, I drove it so bad I think they're going to put a plaque out there.

Q. Fantastic, 125 on the weekend, terrific playing. What does it mean now that we have the stretch run to Wildcard Weekend and then the Playoffs?

SCOTT McCARRON: Again, I'm just trying to stay somewhere close to Bernhard Langer. If I can be second or third and then win that last one, then I can still win the Schwab Cup. That was the goal at the start of the year. Bernhard Langer's played great so far, he's going to be tough to catch, but if I can stay somewhere close to him and then win that last one, you never know.
