
Q. Take us through the day.

DUSTIN JOHNSON: I thought I played okay. And I had a chance to reach it and I made a couple, just two bogeys there, just bad drives. I hit it in the bunker there on 8, it was a tough shot, and then I actually hit a really good tee shot on 12. I hit 3-wood to lay up short of the bunker and it still went in. Hit it right down the middle, it just went too far left. Other than that, I felt like I hit it good, had a lot of good opportunities, didn't make any putts.

Q. How aggressive are you going into the weekend given you've got to chase?

DUSTIN JOHNSON: Yeah, I mean, I play the course the same way no matter what, so if you're in the fairway you can attack the golf course. It's pretty simple, just drive it in the fairway. I felt like I did drive it a lot better on the back nine today. I think I started swinging a lot better, hit a lot of good iron shots and just didn't hole anything. So going to work on the putting right now and for me the next two days is all about if I can hole some putts, I can get right back in there.

Q. So a super low one is out there?

DUSTIN JOHNSON: Oh, yeah, for sure. I feel like I'm swinging really well, I'm hitting it great, so just got to roll some putts in.

Q. What would be your goal for tomorrow?

DUSTIN JOHNSON: Goal? Make as many birdies as I can.

Q. In terms of position on the leaderboard.

DUSTIN JOHNSON: I just want to get within striking distance. If I can get it within three I would be happy.

Q. (No microphone.)

DUSTIN JOHNSON: Yeah, he's hitting it well. He hit it really good, it's all but making putts.
