

Q. Xander, I don't even know how to describe the year, I don't know how to describe the day. Congratulations, what a way to do it. All-around good putt there at the last to get it done.

XANDER SCHAUFFELE: Oh, man, yeah. I thought it missed, that's why I couldn't even react to celebrate because I thought I just missed a two-footer to win. Still kind of in shock.

Q. The way that you played to get in the position you are, I thought it was a steady round. There was a lot of volatility out there today. You got up and down when you needed to, but you hit some fairways, a steady round of golf, you never really put yourself out of position.

XANDER SCHAUFFELE: Yeah, that's kind of what I said at the beginning of the day. Obviously you get yourself to try to play safe on a Sunday and when everyone's kind of chasing up the leaderboards. So we kind of kept it in front of ourselves, especially on 17, that was kind of a big up-and-down and a couple other holes really. I made a lot of good par putts today.

Q. Were you trying to get it in the bunker there at 17?

XANDER SCHAUFFELE: Yeah, I was. I thought the rough is so thick, I figured worst case it will end up where it was and we'll have to trust (inaudible) for once.

Q. It was a whirlwind summer, you get a win kind of in a blur. When will this even settle in? There's going to be Rookie of the Year, there's no doubt about it. You'll be the first rookie ever to win this golf tournament, too. What does it mean about the journey?

XANDER SCHAUFFELE: It's just unreal. I just can't thank my family and my team at home, part of my team that's out here with me enough really.
