

ROUND 2 INTERVIEW
November 10, 2017

BRIAN GAY (-9)

Q. Brian, solid round, bogey free, highlighted by the eagle at 13. I was standing right there, that almost went in. Did it look as good to you from the fairway as it did to me greenside?

BRIAN GAY: Yeah, it was right on line. I was just hoping to carry that right side of the green. I saw it bounce forward, so I knew it was back there somewhere, but didn't know exactly how close.

Q. What is it about this golf course? You played well here, former champion. Is this just your kind of golf? You seem so comfortable today.

BRIAN GAY: Yeah, you know, I've always loved it since we first started coming here. Got my first win here in 2008, so just a lot of good memories and a lot of good things to look back on and a lot of positive stuff.

Q. When you have a day like today where everything seems to be in gear, we've got 36 holes ahead of us, you're in a great position, is it just more of the same, lay low and get some rest, or will you work on anything this afternoon?

BRIAN GAY: Probably get some rest. It's pretty hot out there. Just try to stay rested and hydrated and be ready to go tomorrow.

Q. Great round, good luck the rest of the way.

BRIAN GAY: Thank you.
