

ROUND 1 INTERVIEW
November 10, 2017

VIJAY SINGH (-7)

Q. Talk about your day. Great start for you, 7 under.

VIJAY SINGH: Yeah, I played nicely. I drove the ball well, which is key on this golf course. I think you've got to hit a lot of fairways. Putted nicely, made some nice good putts. So anytime you drive it well and make some putts, you're going to shoot a low one. So very happy with the start and hope to keep it going.

Q. Good save on 18 to come back?

VIJAY SINGH: You can say a save or you can say a missed birdie opportunity, especially going with a 6-iron, you know? But unfortunate lie in the bunker, but ended up with a par, which is okay.

Q. What was your one bogey?

VIJAY SINGH: It was on 2. Hit a horrible 9-iron, then chipped it about eight feet and missed it, but it happens.
