

**PATTON KIZZIRE ( -15)**

---

**Q. Just some thoughts on taking the lead into the final round here. What was your day like today?**

**PATTON KIZZIRE:** I played well. I've been putting really well. That's kind of been the strength of my game. It felt good to come out here tied for the lead, that felt good, and played pretty well, so I'm looking forward to the fourth round.

**Q. What sort of experience will you draw from having past leads elsewhere?**

**PATTON KIZZIRE:** Yeah, I won tournaments before, so I'm going to try to treat it like any other tournament. It's a big deal to me, it's a big deal to everybody, but it's another tournament and I'm looking forward to the challenge.

**Q. Do you feel like you and Rickie have sort of separated yourselves even though there's guys down lurking? I mean, this golf course provides a lot of birdies, right?**

**PATTON KIZZIRE:** Right. I just figure if I play my game and play really well, it should be enough. Rickie's really good and playing well, too. So I feel like if I can beat him, that's the key. I'm looking forward to this afternoon.

**Q. Just lastly, are you hearing any reports weather-wise? Do you think you're going to get these four rounds in today?**

**PATTON KIZZIRE:** Who knows, man. Who knows.
