

**ROUND 3 INTERVIEW**  
**November 18, 2017**

**BRIAN GAY ( -14)**

---

**Q. Joined by Brian Gay, now early in the round I just want to get with this, you double bogeyed No. 5, but then you answered birdie-birdie. How important was that?**

**BRIAN GAY:** Yeah, it was nice to come back and hit a really good shoot into 6, the par 3 there, about six feet to kind of get that 6 out of my head. So it was nice to come back with two birdies.

**Q. We talked about this a lot this week, but what is your comfort level on this golf course?**

**BRIAN GAY:** I love the course. We keep getting different wind directions so it's keeping us on our toes. Supposed to be another completely different wind direction tomorrow, so we're getting a new course every day.

**Q. You're going to be paired with Austin again tomorrow. Very, very similar games. Do you enjoy that pairing, someone who plays a similar game to you?**

**BRIAN GAY:** Yeah, our whole group was pretty close, they both hit it just a little bit further than me, but very similar games. He played solid all day.

**Q. You have one more round coming off a year where you didn't play that much before you came back from your major medical. How rewarding is it to have a performance like this to close out the year?**

**BRIAN GAY:** Yeah, yeah, I'm looking forward to tomorrow. The year's been a success and I would like to do something really good tomorrow to go back home on a nice little break.
