

**FINAL ROUND INTERVIEW**  
**November 19, 2017**

**BEN SILVERMAN ( -13)**

---

**Q. Probably didn't finish the way you quite wanted, but it was a great day, wasn't it?**

**BEN SILVERMAN:** Yeah. I told Dave, my caddie, that when I hit those last two putts actually the way I wanted and they just didn't work out. Yeah, I was happy with the day, very happy.

**Q. Not too many guys are taking it in the red there and you were just going pretty strong?**

**BEN SILVERMAN:** I kind of knew to start the day that it was going to be tough. I mean, 1 or 2 under, you're probably going to move up spots. So I had 3 under in my head as like a benchmark that I needed to hit to climb some spots, and chipped in twice, I think.

**Q. Nice.**

**BEN SILVERMAN:** Yeah, had some good breaks.

**Q. It's key to get off to a big start, you guys coming off the Web, so how important has it been that you played so well on the stretch?**

**BEN SILVERMAN:** It's extremely important because I don't know exactly how the reshuffle is going to look with any Web guy, any Web numbers. So I just knew I needed to do the best I could and hope for the best, and so having two top-10s is going to hopefully get me into a lot.
