

ROUND 3 INTERVIEW
December 2, 2017

CAMERON SMITH (-14)

Q. Excellent round by you, 5-under 67, but for a moment out there you were watching something incredible with Jordan?

CAMERON SMITH: Yeah, he put on a bit of a display the first 13 or 14 holes there. He was on a bit of a run, it was pretty incredible to watch actually. And in that wind he was just a magician on the greens as well. I think he would have had 15 putts (inaudible,) that was just amazing.

Q. What about yourself though today, just staying steady while he's doing that? You seemed to be able to concentrate, remain calm, a lot of experience from what you've gained from being in the U.S.?

CAMERON SMITH: Yeah, for sure. Just didn't let Jordan's round get ahead of me there. I just kept doing what I was doing. I knew I was playing well, I knew I was putting well. Just needed a couple chances and took advantage of them.

Q. What about your short game? The last couple weeks I've watched some amazing stuff. Did you give any lessons out today?

CAMERON SMITH: (Inaudible). You know, it's been really good, something I've worked on this year really hard. It's always been one of my strengths and I just want to make it stronger as I go on.

Q. I think it's just four behind, could have been more than that so you've still got some work to do. What do you now? You've just been talking about heading to the range and staying focused?

CAMERON SMITH: Yeah, I'm going to go hit a few balls. I think the wind affected my swing there a little bit at the end so I'm just going to go work on a couple of things, the setup, and have a relaxing afternoon.
