

**PATRICK REED (-11)**

---

**Q. Playing with Rickie today, I mean, he was obviously on fire. What was it like?**

**PATRICK REED:** Yeah, just made me look like I was playing absolutely horribly. You know, I felt like I was playing some solid golf there through seven holes. I was 3 under par and next thing you know he's 7 under par. Yeah, kind of one of those things where he was hitting the ball really solid. Once he got his speed down on the first hole making the first putt, it just seemed like the hole was about the size of a dinner plate, he just never missed. It was awesome to watch. It was good to see. But man, that was an impressive front nine.

**Q. I heard you had a cool red shirt moment with Tiger before you headed out to play. Kind of fun having him back?**

**PATRICK REED:** Yeah, it's awesome having him back. I'm kind of surprised he decided to tone it down and kind of go pinkish-red, you know.

**Q. He's threatened?**

**PATRICK REED:** So I gave him a little hard time there saying how light his red shirt was compared to mine. But it's awesome, it's awesome to have him back to be able to kind of give him those little jabs because he'll give them right back. It's just awesome to see him back playing some good golf.
