

ROUND 1 INTERVIEW
March 1, 2018

HAOTONG LI (+2)

Q. Did you feel like you were on top of your game this afternoon?

HAOTONG LI: Actually, I play all right, just had a couple not even bad tee shot, just the distance is so hard to judge. For some reason it's way far than when I played a practice round. So just need make sure perfect distance, judge the distance, that's all.

Q. And the winds seem to have been tricky as well. Was it swirly out there which added to the difficulty?

HAOTONG LI: Yeah, definitely, because today have a couple par 3, all the way over. But in the practice round was perfect. It's kind of different, different in practice round. Quite tough out there, honestly. So putting is hard and play a little bit aggressive.

Q. What do you need to do to try to bounce it back tomorrow and next two days?

HAOTONG LI: Today I just play too safely, everything is iron tee shot. Tomorrow need to go with more driver.

Q. And how about playing with Bubba and Phil, was it fun?

HAOTONG LI: Yeah, it was really fun. It was awesome to play with them. A lot of experience from them.
