

FINAL ROUND INTERVIEW
March 4, 2018

RAFA CABRERA BELLO (-15)

Q. Rafa, just short but you've got to feel good about your week here.

RAFA CABRERA BELLO: Yeah, absolutely. I felt I played good, I've been in contention, I played good today as well. Maybe one or two mistakes, but I mean, I by no means feel that I lost anything. I've kind of always been in the hunt, a couple, one or two a few back from the leaders. Unfortunately, that's how it's going to finish. But overall pretty pleased. A very good performance.

Q. That's a pretty impressive group of leaders out there, too. You said you're in the hunt but come up just short, but that's Phil Mickelson, Justin Thomas out there, those are world-class players like yourself.

RAFA CABRERA BELLO: Yeah, absolutely. You don't expect anything different in a World Golf Championship. I think every World Golf Championship delivers. The best players in the world come and play them and it's pretty normal that at the end of the week the best players in the world are at the top.

Q. Final thing, the fans love you here, you seem to love them back, too.

RAFA CABRERA BELLO: Yes, I was surprised I felt lots of love from the Mexican crowd. I enjoy interacting a little bit with them. But yeah, I feel very good for the support that I received this week.
