

FINAL ROUND INTERVIEW
March 4, 2018

GENE SAUERS

GENE SAUERS: Yeah, I played good today. On the back side I had putts at every hole and didn't capitalize on them so I've got to work on my putting next week.

Q. I have a fun question for you. So we heard today Justin Thomas was playing in the PGA Pro Tour --

GENE SAUERS: Mexico.

Q. Yeah, Mexico, and he had to stiff arm a photographer because he was going to step on his ball.

GENE SAUERS: Did he really?

Q. Yeah. Has anyone wild like that ever happened to you on the course?

GENE SAUERS: Yeah, back in 1986 when I won my first tournament, Bank of Boston, you know how the crowd just like on 18 right here had to go up behind everybody. Well, I hit my shot and the crowd just starts going. Here I am, I'm behind the crowd now, I'm trying to fight my way through the crowd. But, yeah, that's about it.
