

ZAC BLAIR (-11)

Q. Zac, you've got to be pleased with your round of golf today. I know a couple stumbles coming down the stretch, but really solid play I thought on your part. Tell me about the round.

ZAC BLAIR: Yeah, kept it in play, hit a lot of greens I felt like, gave myself a lot of opportunities and was able to make a couple putts. Unfortunately, missed a few coming in, but that happens.

Q. Tell me about your stretch to begin the inward nine.

ZAC BLAIR: Yeah, I hit it in the right rough on 10 and hit a really good iron shot in there from like 160, made that putt. Then 11 I hit another really good drive kind of right down the middle and hit an 8-iron in there to the front of the green, and I thought I left it short but it got there. But 12, hit a good iron shot kind of pin high and caught the right edge. It's always nice when that happens.

Q. You're going to have a chance to win for the first time out here. Tell me about your thoughts going into Sunday.

ZAC BLAIR: Yeah, just kind of got to keep doing the same thing. Doing everything pretty well, so just need to kind of close it off and have one more day like today.

Q. What part of your game was clicking the most today?

ZAC BLAIR: Man, I think I just kind of did everything pretty solid, kept it in play, hit some greens, gave myself opportunities and rolled in a couple of putts.

Q. So going into tomorrow, what do you think is the key to staying on top?

ZAC BLAIR: Yeah, just doing the same thing. It's pretty -- you have to do a lot of things well out here. You've got to drive it well, you've got to hit your irons good, you obviously have to putt good just like any other week, so just kind of got to do everything good again.

Q. You sound a little under the weather. Has that affected you today a little bit? Obviously your score's really good, but were you a little surprised the way you're feeling?

ZAC BLAIR: Just the last couple of days felt like this. It's not a big deal.

Q. How pleased are you with your position right now going into tomorrow? Is it ideal or would you rather be in the lead?

ZAC BLAIR: Yeah, anytime you can be in the lead I think you'd want to be in the lead, but yeah, it's a good spot. A lot of people win from behind, so just looking forward to it.

Q. Just can you just comment on that spectacular club twirl on 17? You hit a great 6-iron in there.

ZAC BLAIR: Yeah, hit it good. I was hoping it would go in. Unfortunately, I didn't make the putt, but it was a good shot.

Q. As far as the conditions this year, do you think the course is still gettable going into tomorrow with the temperatures expected to rise?

ZAC BLAIR: Yeah, they've had to be a little more careful, I think, this year just because it's pretty hot. But, I mean, Stephen Britton's got this place in unbelievable condition, as good as you could really want it. You've got to hit good shots. If you do that, you're rewarded and they're doing what they should be doing, I guess.

Q. Just going into tomorrow, there's a lot on the line for you, FedExCup points, an Open spot. How do you remain focused on just trying to win the tournament?

ZAC BLAIR: Just kind of, you know, hopefully just go out and do the right stuff and it just turns out that way.
