

**ROUND 3 INTERVIEW**  
**August 18, 2018**

**BRIAN GAY ( -13 through 12)**

---

**Q. Let's assume they're going to call it for the day. Obviously off to a great start in Round 3. Just a few comments on, what are you, 6 under so far today?**

**BRIAN GAY:** Yeah, yeah.

**Q. Just a few comments on the round and what's kind of clicking for you.**

**BRIAN GAY:** Yeah, kind of left off where I was yesterday. I played great yesterday and continued more of the same today. Unfortunate to get called in. Just birdied 12 to go 6 under and I was looking forward to hoping to get the round in.

**Q. Have you felt a week like this coming on? Has something been clicking for you?**

**BRIAN GAY:** I didn't play particularly well at the PGA last week, so I kind of made the decision to come here and just keep playing going into the Playoffs and hopefully get some more points and get in a little better spot was kind of the plan.

**Q. Weather delays, you've obviously been through millions of them. Are you able to kind of put this beside you, come back tomorrow and just kind of keep the same mindset of what's been working for you so far?**

**BRIAN GAY:** Yeah, hopefully come back out tomorrow and just continue and have the same -- every day's different, but it will be a short night and back out early. It will be a long day tomorrow, but just did this a few weeks ago. The last several tournaments actually it's been like this. It wears on you, but you just have to deal with it.
