

ROUND 1 INTERVIEW
August 16, 2018

D.A. POINTS (-6)

Q. D.A., a simple but complicated question: What did we find today?

D.A. POINTS: You know, I really haven't been playing too, too bad as of the last couple months, but it was just I've been working on stuff at home, I've been playing good at home, I had two weeks off. You know, this is a really good course for me. It's not a bomber's paradise and I was driving it well and ironing it well, and then I made a couple putts for a change and there it is, 64.

Q. The putter was hot, too. I saw at least early in the round, a lot of feet of putts made, surfaces are perfect. What did you see out there?

D.A. POINTS: Yeah, they were amazing. They've really done a great job. I know that they had a tough winter and to get this place playing like it is now is awesome. The conditions are perfect. Very little wind, soft greens, smooth, fast greens. I did make one bomb that I haven't made a putt that long in it feels like forever, so that was fun.

Q. I know a lot of guys I hear are checking math. There's really no math you have to worry about this week. You win and you're in the top 125 and you got that win from Puerto Rico last year in your back pocket. What's a week like this week for you, is it just about finding good golf?

D.A. POINTS: Yeah, it's about trying to lift my spirits and look forward to next season. It's been a tough battle and I've got some decisions I've got to make health wise and we'll see how it goes, but right now I'm just super happy to play well again.
