

**ROUND 2 INTERVIEW**  
**August 18, 2018**

**BART BRYANT (-9)**

---

**BART BRYANT:** Played pretty solid today. Did everything like I was supposed to. Missed a couple putts that I should have made, but I think everybody is. The greens are soft out there, so they're getting a little bit -- they're a little mushy, getting a little spikey.

Having said that, I mean, the guys did an unbelievable job getting this course ready to play this week. Pretty amazing. But I think maybe that's why scores aren't extremely low is the greens are just a little bit -- it's a little tougher to make putts this year for some reason. I think it's because of the wetness of them, just getting a little bit bumpy towards the end of the day.

**Q. Obviously your score doesn't show it, but with the delay today, does that kind of take you back a little bit physically?**

**BART BRYANT:** No. Luckily, I hadn't teed off. Guys that teed off earlier had to, you know, keep getting pushed back, had to hang around the clubhouse. Me personally, I was at the hotel watching the updates. It wasn't a big deal for me. I was able to adjust my schedule. We've all been through it so many times, I don't think it's that big a deal for most guys.

**Q. How's that holding up these days?**

**BART BRYANT:** It's doing well, it's doing really well. Every year it seems like it gets just a tiny bit better.

**Q. Really?**

**BART BRYANT:** Yeah, I know. It was supposed to go the other way, but actually it's getting a little better and I feel very fortunate about that. As long as I baby it to some degree, don't practice too much and take some meds when I need them, it seems like it's hanging in there pretty well. So I feel very blessed to still be playing golf, for sure.
