

**ROUND 2 INTERVIEW**  
**August 18, 2018**

**WES SHORT, JR. (-8)**

---

**Q. Wes, tell us what's working out here for you today.**

**WES SHORT, JR.:** Actually, I hit it okay today, but putted really, really good. Made a lot of putts. Didn't really hit a whole lot of close ones, but they started going in pretty good.

**Q. You're up there with the pack now. What's it going to take to continue moving forward in the next round?**

**WES SHORT, JR.:** You've just got to keep it in the fairways around here and make some putts. I needed a good round today to try to get in contention, so I played pretty good today. So hopefully I don't play terrible, hopefully I don't get too far away.

**Q. Good cap to the round, too.**

**WES SHORT, JR.:** Yeah, nice birdie on the last hole, that helped. The only really bad swing I made was on 17 and made bogey there. It was nice to finish up the round with a nice birdie on 18.

**Q. Doesn't seem like the rain delay hindered you very much out there?**

**WES SHORT, JR.:** You know, kind of got lucky. I didn't ever have to get started and stopped, started and stopped. So when I got to the range this morning, they pretty much said "stop." It's better than having to start, stop all the time.

**Q. Talk a little bit about the conditions this afternoon. Maybe it was a little bit of a break anyhow because it looked like it dried out pretty well by the time you finished.**

**WES SHORT, JR.:** You know, they did a great job on this course getting it ready. They got a lot of rain the last week or so. There's some wet spots out there, but it's -- really, they've done a really good job.
