

ROUND 1 INTERVIEW
August 24, 2018

TOM PERNICE, JR. (-7)

TOM PERNICE, JR.: Yeah, I played good. Hit it close right off the bat. Hit it close at 10 and 11 and made birdies, hit two good wedges in there inside six or seven feet on both holes and made birdies. Hit a good wedge in on 14 and made birdie. Hit it close at 17 and made birdie, and hit it out of the green-side bunker at 18 to about six inches for birdie. Then drove it under the lip of the fairway bunker at 1 and made a bogey there, and came back and hit a nice wedge shot in there about -- it was longer, it was about 15 foot and made that one. Finished with a couple birdies on 7 and 8. It was a nice day to play golf. Not much wind and the course is very receptive, so it was a very nice day.

Q. Especially to shoot like that.

TOM PERNICE, JR.: Well, that makes it a little easier.
