

**ROUND 1 INTERVIEW**  
**November 8, 2018**

**DOMINIC BOZZELLI (-7)**

---

**Q. Just a few comments. First start last year, not so hot, but you're back this year, seven birdies, no bogeys, and then the four birdies coming in down the stretch today. Just a few comments about today?**

**DOMINIC BOZZELLI:** Yeah, solid day. Everything's in a good spot. I've just been trying to show up and do my job. I like the direction my game's trending right now.

**Q. How about the golf course? Obviously it suits your game well. Is there anything specific about here that you connected with this year?**

**DOMINIC BOZZELLI:** You know, I'm rolling it pretty well right now, so I feel like just get it on the green and give myself as many looks as I can. Obviously you've got to hit it straight out here and I think it really helps channel your focus when it's not wide open and it's tough to pick a target. You know what you're looking at off the tee and, you know, feels pretty good right now, though.

**Q. And last thing, down here surrounded by the trees I can't tell, was there any wind or anything?**

**DOMINIC BOZZELLI:** It was hot out there, sweating all day, but not bad, less than 10 I'd say, so pretty ideal for scoring. Tomorrow should be about the same, so get some rest and try to do it again.
