

ROUND 1 INTERVIEW
November 8, 2018

ADAM HADWIN (-6)

Q. Just a couple thoughts about today. Obviously a good start and just what was working?

ADAM HADWIN: Yeah, it was a great start, bogey free. I was hitting it really well, I was hitting it solid. A lot of sort of safe shots kind of early on just to kind of get in the rhythm. I had a few 20-, 30-footers for birdie that had looks. And then kind of caught fire a little bit on 7, kind of went through a nice little run of six, seven holes there, got myself to 6 under maybe through eight holes there. Just a real solid day, a lot of fairways, never out of position.

Q. Which is what you have to do here.

ADAM HADWIN: Exactly. I wasn't playing from the rough. I played from the rough once today, which is key to this golf course. You know, made a couple putts, a couple nice two-putts there towards the end of the back side. Yeah, just kind of a good, solid day.
